www.CPAPRO.eu | www.CPAPRO.pk

Or write to us:

info@CPAPRO.eu | info@CPAPRO.pk

About the CPA awarding body:

The Association of International CPAs (Incorporated in England & Wales) is one of the prestigious international accountancy bodies, functioning in Europe, GCC, and ASEAN countries

The Association (and its allied institutes) is duly registered under prevailing laws as Non-Government & Non-Profit International Professional Organization. It is duly approved by the **UK-Government** and **Federal Government of Pakistan**.

The Association's Core Services:

To fulfill our statutory role we provide the following core services:

1. Designing, Developing and Award of Educational & Professional Certifications
2. Organizing, arranging & conducting Electronic & Traditional Examinations
3. Books Publishing Services and Electronic publishing services

The Role of The Association:

- a) Regulate the associate CPAs in accordance with the bye-laws and The Association (and Institute's) Code of Ethics in the public interest;
- b) Ensure that CPAs are constantly up to date in all matters relating to their professional work;
- c) Maintain the highest levels of educational standards for new entrants to the profession,
- d) Represent the interests of our members where appropriate

Scholarships & Financial Aid:

We offer different scholarship opportunities for students and members, as under:

1. Scholarship for under-developed Countries
2. Approved Study Loan
3. Mentorship & Internship internationally
4. Corporate Membership

The Course Aim to:

1. Bridge the gap between industry and accounting professionals by providing quality R&D and accredited curriculum
2. Give opportunity to students who partly qualified CA, ACCA, and CMA & MBA by acknowledging and incorporating their preceding courses & efforts.
3. Provide platform to fresh graduates through training and development.

Special Feature:

- 1) Enhance your chance of employability on international locations
- 2) Develop your essential skills in Accounting & Finance
- 3) Earn Practicing certificate to develop your own accounting firm or consultancy co.
- 4) Flexible Online, Distance Learning, Coaching, Self-Study options
- 5) Earn dual internationally recognized qualifications related to your career:
 - a) CPA + MBA or BBA (2 or 4 Yrs)
 - b) CPA + M.COM or B.COM
 - c) CPA + MSC or BSC or M.A

International Recognition:

The Association has 65 Reciprocal Arrangements/MOUs with renowned Universities, Colleges and Professional bodies, directly & tortuously. For detail visit www.CPApro.EU/index.php/programs/recognition

Examination Policy:

Examinations are conducted twice a year in June & December. Applications for examination accepted throughout the year. Passing marks are 60% and a member has to cover 120 Credit Hours. For detail visit: <http://www.CPApro.EU/index.php/become-a-cpa/examination-policy>
